

**The President  
of the  
Economic and Social Council**

14 January 2025

Excellency,

As a new year begins, I would like to seize this opportunity to wish you a happy, productive and successful 2025.

As President of the Economic and Social Council (ECOSOC) I have the honour to refer to the working arrangements for the 2025 session of the Council as contained in resolution [E/RES/2025/1](#).

The Council will have a busy year as it works to accelerate the implementation of the 2030 Agenda for Sustainable Development, effectively follow up on the outcomes of the Summit of the Future and contribute to important global conferences such as the Fourth International Conference on Financing for Development, the 2025 UN Ocean Conference, the second World Summit for Social Development, the 30th anniversary of the Fourth World Conference on Women and the adoption of the Beijing Declaration and Platform for Action (Beijing+30), as well as the review of the implementation of the outcome of the World Summit on the Information Society (WSIS+20).

I know that we all have full schedules, but I would deeply appreciate your personal engagement in the work of ECOSOC in what will be a challenging year.

In this regard, I wish to highlight some of the upcoming meetings of the Council:

- a) **Partnership Forum**, 5 February 2025. It will enable discussions on concrete ways to promote the implementation of SDGs under review at the 2025 session of the High-level political forum on sustainable development (HLPF) and the Pact for the Future.
- b) **Coordination Segment**, 6-7 February 2025. The segment will provide guidance to ECOSOC subsidiary bodies and UN system entities to address pressing global issues and advance the SDGs and the Pact for the Future in a coordinated manner. It will contribute to the 2025 HLPF and the ECOSOC high-level segment.
- c) **Development Cooperation Forum**, 12-13 March 2025. The forum holds particular significance in the run up to FfD4 Conference.
