

ECOSOC Decision 2001/210

Establishment of the Information and Communication Technologies Task Force

At its 4th plenary meeting, on 13 March 2001, the Economic and Social Council, recalling the ministerial declaration¹ on development and international cooperation in the twenty-first century: the role of information technology in the context of a knowledge-based global economy, adopted by the Council at its substantive session of 2000, and Council resolution 2000/29 of 28 July 2000:

- (a) Took note with appreciation of the report of the Secretary-General;²
- (b) Requested the Secretary-General to undertake the necessary steps to establish the Information and Communication Technologies Task Force, in consultation with the regional groups, as recommended in the above-mentioned report and taking into account the views expressed by Member States;
- (c) Also requested the Secretary-General to submit a report on the implementation of the present decision to the Economic and Social Council at its substantive session of 2001.
