

1997/66. Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The Economic and Social Council,

Having examined the report of the Secretary-General²⁴⁶ and the report of the President of the Economic and Social Council on consultations held with the Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,²⁴⁷

Having heard the statement by the representative of the Special Committee,²⁴⁸

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960, the resolutions of the Special Committee and other relevant resolutions and decisions, in particular Council resolution 1996/37 of 26 July 1996,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all the appropriate measures, within their respective spheres of competence, to ensure the full implementation of resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the South Pacific Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea level rise, and recalling other relevant General Assembly resolutions,

Recalling General Assembly resolution 51/141 of 13 December 1996 on cooperation and coordination of the specialized agencies and the international institutions associated with the United Nations in their assistance to Non-Self-Governing Territories,

1. *Takes note* of the report of the President of the Economic and Social Council on his consultations with the Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples²⁴⁷ and endorses the observations and suggestions arising therefrom;

4. *Reaffirms* that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute to the implementation of the Declaration and all other relevant General Assembly resolutions;

5. *Also reaffirms* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspirations of the peoples of Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples;

6. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

7. *Requests* the specialized agencies, other organizations of the United Nations system and international and regional organizations to examine and review conditions in each Territory so as to take appropriate measures to accelerate progress in the economic and social sectors of the Territories;

8. *Requests* the specialized agencies, the international institutions associated with the United Nations and regional organizations to strengthen existing measures of support and formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

9. *Recommends* that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

10. *Also recommends* that the specialized agencies and other organizations of the United Nations system continue to review at the regular meetings of their governing bodies the implementation of resolution 1514 (XV) and other relevant resolutions of the United Nations;

15. *Draws the attention* of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to the present resolution and to the discussion held on the subject at the substantive session of 1997 of the Economic and Social Council;
